

Earn your Ham Radio license in just ONE DAY!

WHEN: April 28, 2018
8:00am - 6:00pm (immediately followed by the FCC test)

WHERE: **Iowa State University EH&S Services Building**
2408 Wanda Daley Drive
Ames, IA 50011

COST: \$100.00 (\$50 due at time of registration)

What is included?

- Full-day Technician License study class
- Technician License class manual plus a 20 page pre-study guide
- Provided working lunch and refreshments
- One FCC Technician Class Exam (with results the same day!)
(Retests will require an additional fee)
- **Brand-new** handheld Ham Radio pre-programmed with local radio frequencies!

NOTE: Class size is limited to 20 participants

The Technician license is your gateway to Amateur Radio... and now you do NOT need to learn Morse code!

If you have ever considered earning your Ham Radio license, this one-day class is the ideal place to start.

To register:

Visit www.kb7vml.net/events/ to sign-up online
OR email kb7vml@arri.net with your details

Questions?

Clint Miller (KC0JUO) 515-292-1066
Paul Cowley (KB7VML) 515-233-2817

Registration opens March 11, 2018

Participants will receive the class manual and study guide upon initial registration AND payment of the first half of the course fee (\$50)

This portion of the fee is **NOT** refundable but may be transferred to future Story County ARES Technician License Classes

The remaining \$50 is due on or before the day of the class
